

RISE Delaware Update for January 4th

RISE Delaware Supporters: Thanks for your good work!

Many thanks to everyone who requested that their state representatives and senators sign on as sponsors and co-sponsors of Representative Baumbach's HB 281 and HB 282. As you can see below, your hard work paid off with an impressive list of legislators who are supporting these two bills. Thank you again for your many messages to GA members! If you don't see a legislator that you contacted on the list, check the links below to see if new names have been added.
