

## Update on RISE Delaware™ Fundraising Effort started January 2024

To All Rise Supporters,

Here is an update on the ongoing RISE Delaware™ Fundraiser to fully pay the attorneys' fees in our successful litigation. We have been making good progress thanks to all of you! We hope you read about Tuesday's victory in the Delaware House unanimously passing legislation carrying out the litigation's ultimate goal of protecting our MedicFill benefit and stopping the imposition of Medicare Advantage on retirees. Next stop is the Delaware Senate.

Since RISE's January 2024 fundraiser started on January 7, 2024, we have raised \$98,784 as follows:

### **CONTRIBUTIONS**

RISE gofundme (net of 4% gfm fee): \$63,845

Personal checks (received): \$34,939

**TOTAL (net): \$98,784**

**STILL TO RAISE for the Superior Court lawyers: \$80,000**

Note that it may be confusing if you try to figure out for yourself from the RISE gofundme 2 page what the contributions have been for the 2024 effort. This is because that page reflects contributions given through that page from 2023 but we did not want to start a new page. Thank you for all your support!
