

RISE Delaware™: LEGISLATIVE ALERT HB 350

PLEASE CONTACT YOUR STATE LEGISLATORS TO ASK THEM TO SUPPORT HOUSE SUBSTITUTE 1 FOR HOUSE BILL 350.

Delaware ranks 4th highest in the nation for healthcare costs and Delaware hospitals have profit margins significantly higher than the national average. These costs adversely affect the state's costs for employee and retiree healthcare plans. HS 1 for HB 350 would create a Hospital Cost Review Board to help ensure that Delaware hospital budgets are actually meeting the spending benchmarks set by the state.

The House Appropriations Committee just added it to their agenda for Wednesday, April 17. It is scheduled for noon in the JFC Hearing Room.

You can find who your state legislators are at <https://legis.delaware.gov> (at the tab "Who is My Legislator?" just fill in your address and click on "Find my Legislator").
