

# RISE Delaware Update for May 9, 2023

**Thanks, RISE Delaware, for the great rally!  
It rained but you shined!**

Yes, it rained for the rally. But no, it didn't stop folks from attending the event. We had over 120 people who stood under umbrellas, tents, and whatever else they could find to hear our speakers and demand that we keep our Original Medicare and our Medicare Supplemental plan, Medicfill. We appreciate everyone who made the rainy trek to Dover and braved the weather to show their support! Thank you!

We want to remind people that you can find lots of useful information on our RISE Delaware website: [www.risede.com](http://www.risede.com). Think of our website as a combination library and archive of what we have been doing since last summer. Our very capable webmaster, Denise Tuck, does a great job of organizing the website. So, stop by and catch up on things if you haven't looked at the website in a while. Also, people can join the email list from the home page so encourage them to do so if they have not yet connected with RISE.
