

# RISE Delaware Update for June 29, 2023

## Thanks for coming to Legislative Hall!

Thanks to everyone who came out yesterday to Legislative Hall! We had a good group wearing RISE buttons walking around and delivering notes to legislators. By the end of the day, we delivered a hand written message from RISE to every Senator and Representative.

We know that we will need to be back in Dover in January to continue to educate our legislators about the issues facing retirees and the need for the State of Delaware to keep the Medicare Supplemental plan (Medicfill). But we wanted to get a head start by making our presence known before and we thank you for your support!

And please feel free to email or send a letter to your Senator or Representative thanking them for paying attention to our concerns. Although legislators will not be in session after tomorrow, they have access to email and have their mail forwarded to them during the summer. So, you can continue to communicate with them.

Again, many thanks to everyone who took the time to come to Legislative Hall! Also, we will continue to update you with information during the summer. Safe travels if you are visiting friends and family.

All the best,

Lisa Diller
