

RISE Delaware Update for June 9, 2023

RISE Volunteers needed for Senior Center Outreach to retirees enrolled in the State of Delaware healthcare plan!

If you are a member of a local senior center in Delaware or are willing to visit one, and would be willing to help with RISE Delaware outreach, would you please email Lisa Diller at risedelaware@gmail.com? Thanks!

How to get involved:

- Check the State of Delaware's Guide to Services at this link: <https://dhss.delaware.gov/dsaapd/>
You may need to paste the address into your browser. The listing of all the Delaware Senior Centers starts on page 108 and goes through page 111.
- Email Lisa Diller at the address above and let her know what Senior Center you will be visiting. It will be easier if you can do this as a team of two people.
- Call or visit the Senior Center and ask the Executive Director (or appropriate staff member) if you are allowed to either use a table in the cafeteria or walk around and ask people if they are State of Delaware retirees, teachers, or higher education retirees who are on the state healthcare plan. Ask which day is the busiest day for lunch and plan to be there from about 11:00 am until 1 pm.
- Lisa will email you the RISE flyer so you can print out some copies to take with you. She will also send you a flyer that can be printed out and taped or glued to a manilla folder to let people know who you are if you are sitting at a table in the cafeteria.
- If you can convince a friend to help you, one person can sit at the table in the cafeteria and one person can circulate around the room with some of the flyers.
- If you are attending the rally, bundles of 20 flyers will be made available at the sign-in table.

Thanks for your willingness to help reach more of the 30,000 retirees affected by any changes by the State of Delaware to the retiree healthcare plan!
