RISE Delaware Update: 8/24/2023 RHBAS Meeting location change

Folks—The agenda for Thursday’s meeting is posted below. Please note that this is a new location for these meetings. The room at the Delaware Department of Insurance office evidently seats about 100 people which should make it more comfortable if you are planning to attend in person.

And we hope that you are planning to attend in person! We know that having RISE folks in the room for these meetings provides support for subcommittee members who understand our concerns. This information can also be found on the State of Delaware Public meeting calendar. The link is in our signature block below.

Also, take a look at the new Work-Bites article in the link below that examines how the NYC Retiree lawsuit against the change in their healthcare benefits to Medicare Advantage is calling attention to the need for labor groups to understand their own history in supporting the creation of Original Medicare and the need to protect the Medicare program from privatization.
