RISE Delaware Update: SEBC meetings tomorrow including agenda item to extend Medicfill coverage through 12/31/2024

Dear RISE Delaware:

As you can see below, there are two SEBC meetings tomorrow. I am listing the meeting first that is most germane to our situation. This is actually the meeting that is later in the day from 2-4 pm. Of particular importance are agenda items 5 and 6. Item 5 relates to the upcoming Request For Proposal (RFP) for contactors to develop and bid on providing a Medicare Supplement for retirees. Item 6 is an extension of the current Medicfill plan through December 31, 2024.

You can also see the information regarding the subcommittee meeting from 11:00 a.m.-12:30 p.m. below the first meeting information. Both meetings have virtual and in-person access. Documents related to each meeting are posted on the Delaware Public Meeting Calendar. Please see the link below to the calendar at the bottom of the RISE signature block. We cannot send attachments through this email system.
