

RISE Delaware Update for September 30th

Dear RISE Delaware:

Rep. Paul Baumbach made a great educational video about the work of the RHBAS and his important analyses of critical factors in the whole mess created by the Administration over the Retiree healthcare benefit (link below) that has gone to SEBC members and others because he otherwise would only have 3 minutes of public comments on Monday AFTER the SEBC makes its decisions tomorrow.

Enjoy and appreciate that all our efforts helped get to this! We hope to see you all on Monday at the very important SEBC meeting.
